LOCAL WORSHIP - Church Stewards are responsible for arranging worship, preferably using the gifts of the local congregation rather than inviting preachers to lead additional services.

TRAVEL ASSISTANCE - Church Stewards please liaise with the appointed preacher well in advance because assistance with transport may be needed.

It is the duty of the preachers to fulfil their appointments and, if unable to do so, to arrange for an accredited substitute. The Superintendent Minister and appropriate Church Stewards should be informed.

Preachers are requested to ensure that all relevant information for the June to August 2018 Worship and Preaching Plan is submitted by 25th March 2018 at the latest.

(Please see overleaf for information about how and to whom this information should be submitted.)

Church stewards are asked to submit their information for the Plan via their Minister (not directly to the Circuit Administrator) at least two weeks before the date indicated on the Plan. This will enable them to identify any conflicts of information before passing on the information to the Circuit Administrator. Therefore Churches will need to provide the information to their Ministers by Sunday 11th March at the latest. Submission of Worship and Preaching Plan information in advance of the due date is always appreciated as this helps greatly with the Plan making process.
