LOCAL WORSHIP - Church Stewards are responsible for arranging worship, preferably using the gifts of the local congregation rather than inviting preachers to lead additional services to those already allocated on the plan.

TRAVEL ASSISTANCE - Church Stewards please liaise with the appointed preacher well in advance because assistance with transport may be needed.

It is the duty of the preachers to fulfil their appointments and, if unable to do so, to arrange for an accredited substitute. The Superintendent Minister and appropriate Church Stewards should be informed of any changes.

The Circuit Administrator will be in touch once the new online system is up and running regarding when dates should be inputted.

Church stewards are asked to submit their information for the Preaching Plan via their Minister (not directly to the Circuit Administrator) by 9th December at the latest. This will enable the Ministers to cross-check the details for each of their churches and follow up any conflicts of information before inputting it.
