**LOCAL WORSHIP** - Church Stewards are responsible for arranging worship, preferably using the gifts of the local congregation rather than inviting preachers to lead additional services to those already allocated on the plan.

**TRAVEL ASSISTANCE** - Church Stewards please liaise with the appointed preacher well in advance because assistance with transport may be needed.

It is the duty of the preachers to fulfil their appointments and, if unable to do so, to arrange for an accredited substitute. The Superintendent Minister and appropriate Church Stewards should be informed of any changes.

Preachers are requested to ensure that all relevant information for the September 2019 to November 2019 Worship and Preaching Plan is submitted by Sunday 30th June 2019 at the latest Using Chestos.

(Please see overleaf for information about how and to whom this information should be submitted)

Church stewards are asked to submit their information for the Plan via their Minister (not directly to the Circuit Administrator) at least two weeks before the date indicated on the Plan. This will enable the Ministers to cross-check the details for each of their churches and follow up any conflicts of Submission of Preaching Plan information in advance of the due date is always appreciated as this helps greatly with the Plan making process.
